Demand Response: 8 am - 5 pm

The Inwood and Hedgesville areas will be on a demand response basis. The demand service is used for persons living more than 3/4 miles off route, and only extends to 1 1/2 miles off route. This special service is limited only by ability to physically/safely get the bus to the desired location. Call the Pan Tran office from 6:00 a.m. to 7:00 p.m. After 7:00 p.m. please leave a message. Check the website (www.pantran.com) for the SCHEDULE AND RIDE APPLICATION.

Reservations must be made one day in advance and requests will be available on a first served basis. The dispatcher will stop booking by 3:00 p.m. the day before in order to set the schedule for the next day. Individuals on the schedule will receive a call only if their pickup time has any changes. Please be outside and at a safe pickup location 10 minutes before your scheduled time to pickup.

Pan Tran drivers cannot offer assistance to you from your pickup and drop off locations. The driver can only load you on and off the wheelchair lift. If the passenger needs assistance we ask that you bring someone to help and the cost for the second person is the regular fee.

When you schedule your ride it is for one pickup and one return. Transfers will be given only if the regular bus line is on schedule and you are at a regular bus stop.

If a Demand Response rider has five cancellations in one month they will be suspended from using the service for 3 days. Three no call/no shows there will be a suspension for 5 days.
